Bodrum

An unforgettable journey through the breath-taking Gulf of Gokova, enriched with exclusive excursions and hidden coastal gems.

Day 1

- You'll arrive at Bodrum Marina around 4 PM, where Captain Tuncay Demircan and his professional crew will welcome you with open arms (and a glass of champagne!). After a quick orientation of the yacht, you'll settle in and enjoy a gourmet dinner prepared by our talented chef using fresh local ingredients. Depending on your mood, you might want to spend the evening exploring Bodrum's charming streets, visiting the iconic castle, or simply relaxing on deck under the stars. We'll spend the night docked in Bodrum Marina, giving you plenty of time to unwind after your travels. If you'd prefer to start your trip with dinner at Trattoria Il Mandarino—a hidden gem nestled among lemon and tangerine trees in nearby Bitez—just let us know. It's a wonderful way to ease into your holiday.

Day 2

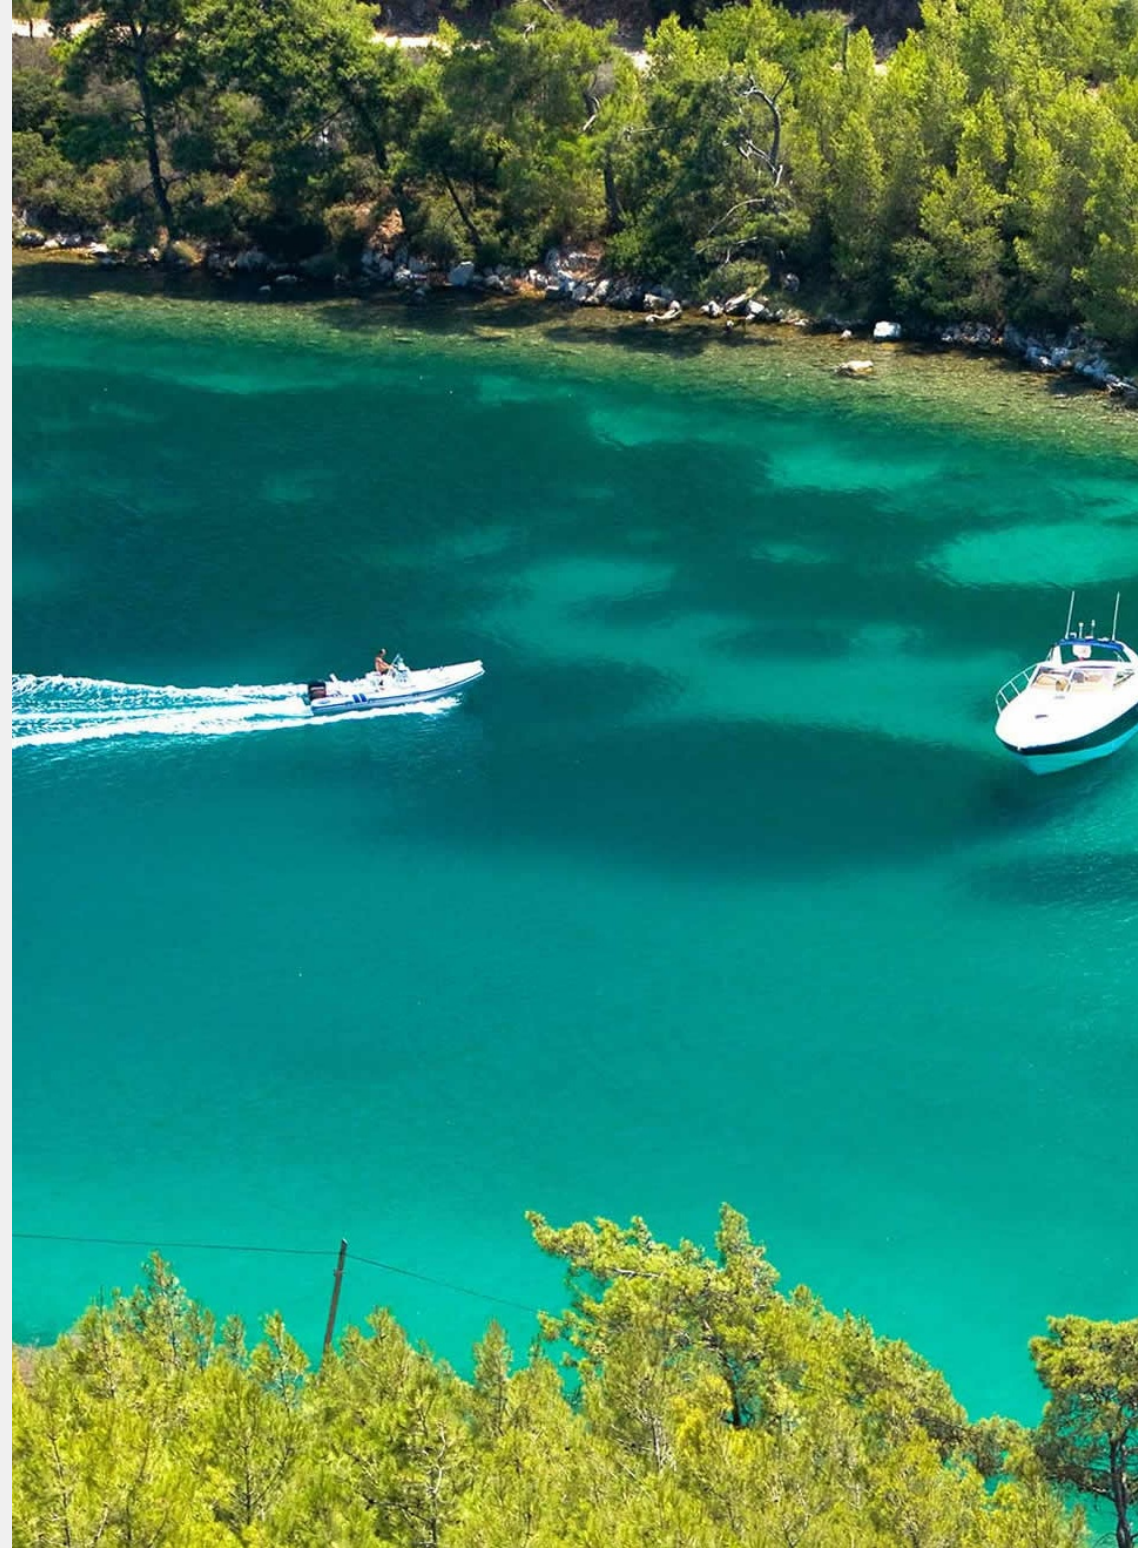

- After breakfast aboard, we'll set sail for Orak Island, a paradise of crystal-clear waters perfect for swimming, paddleboarding, or snorkeling. Once you've had your fill of the sea, we'll cruise to Çökertme, a picturesque fishing village surrounded by lush hills. Here, you can relax in its tranquil bay or head ashore to dine at a local seafood restaurant. Now, here's where things get even more exciting—if you're interested, we can arrange a visit to Karnas Vineyard, located about 40 minutes from Çökertme. This family-owned gem produces exquisite wines and olive oil, and you'll have the chance to tour the vineyards, sample their finest offerings, and learn about their production techniques. It's a lovely way to immerse yourself in the region's culture and bring home a bottle (or two!) of their handcrafted wines or olive oil. Back onboard, dinner will feature the freshest catch of the day, and we'll anchor overnight in the peaceful waters of Çökertme—or perhaps closer to Karnas, depending on your preference.

Day 3

- Today, we'll head to the Seven Islands region, a stunning archipelago brimming with hidden coves and pristine bays. Spend the day exploring these untouched gems, swimming in turquoise waters, and soaking up the serenity. Later, we'll cruise to Kufre Bay, where you can relax with water toys or join the crew for a guided fishing excursion if you're feeling adventurous. As the sun sets, enjoy cocktails on deck with views of pine-covered hills before sitting down to a themed dinner. We'll spend the night in the sheltered Uzun Liman (Long Port).

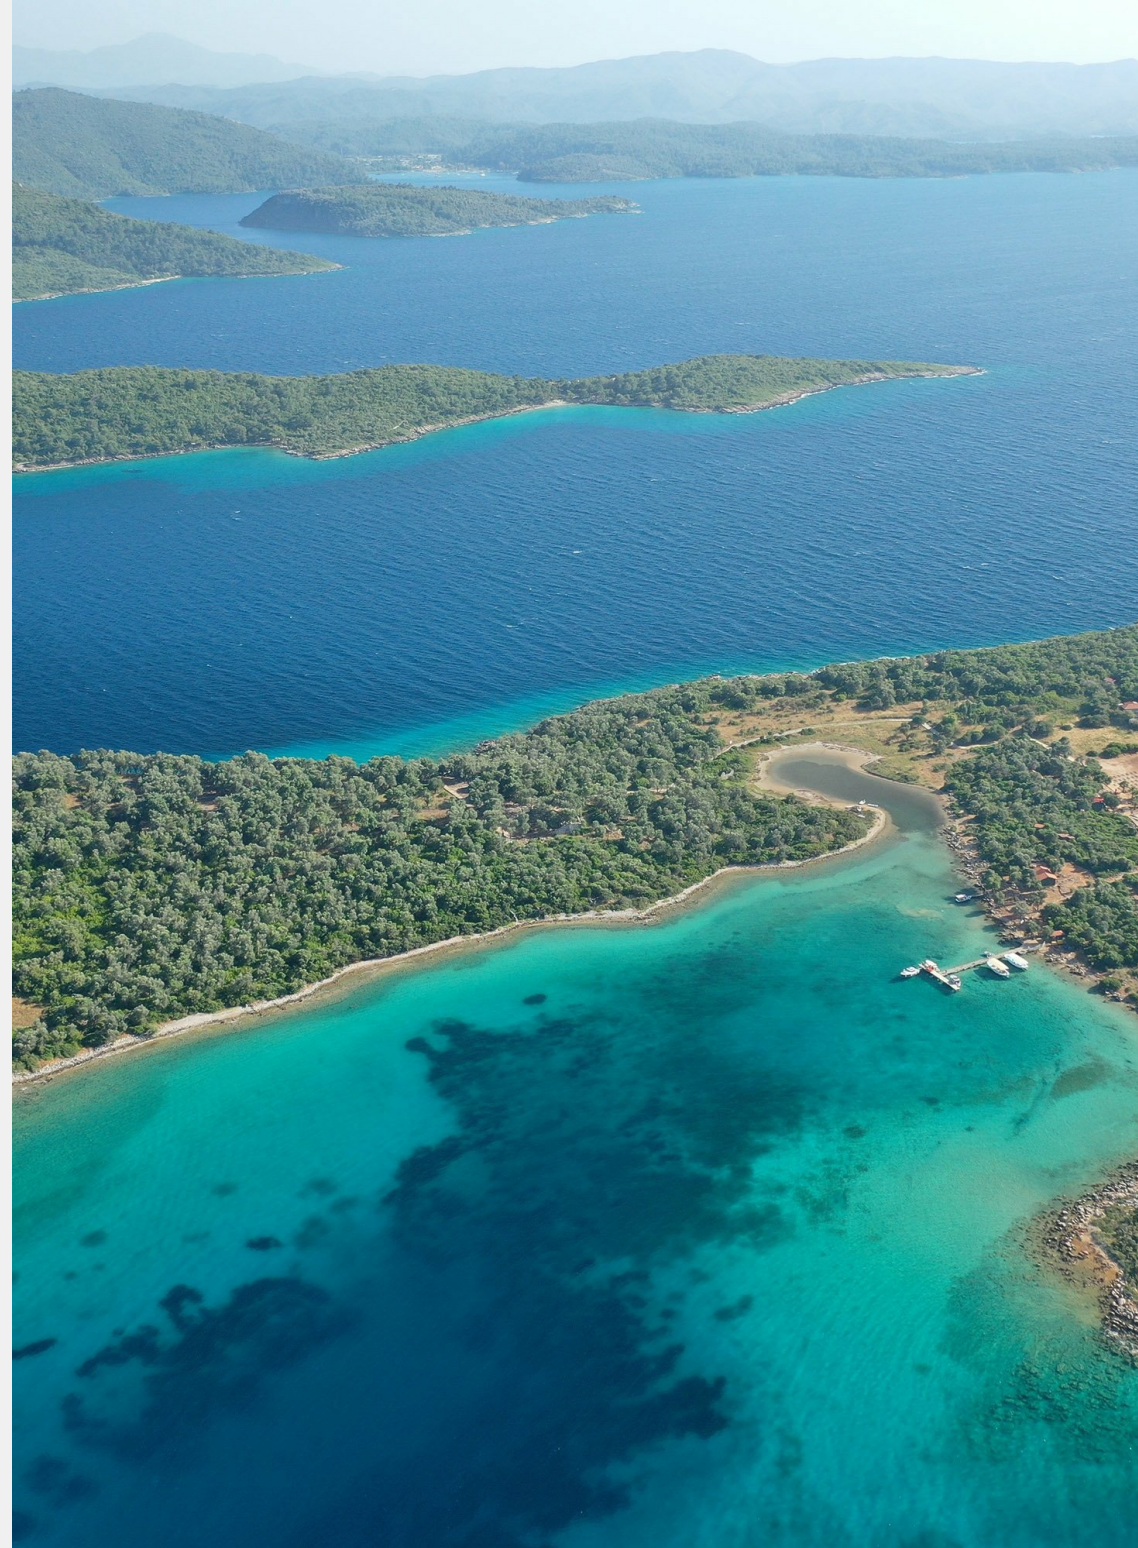

Day 4

- We'll kick things off with a short cruise to Tuzla Bay, where you can take a refreshing dip in the turquoise waters or try your hand at water-skiing and wakeboarding. After lunch onboard, we'll head to Longoz Bay, a serene spot surrounded by fragrant pine forests. Take a leisurely stroll ashore and stop by Ali Baba's café for a taste of traditional Turkish coffee. In the late afternoon, we'll cruise to English Port, a historic harbor steeped in charm. Dinner onboard will feature international cuisine, followed by stargazing from the deck with after-dinner drinks. Overnight in English Port.

Day 5

- An early start takes us to Sedir Island, home to ancient ruins and the legendary Cleopatra Beach. Its unique sand is said to have been brought from Egypt—legend has it Cleopatra herself once walked here! After exploring the site, we'll set sail for Karacasogut, a quaint village near Karnas Vineyard. Here, you'll tour the family-owned vineyard, sample their exquisite wines and olive oils, and learn about their production techniques. Back onboard, dinner will feature wine pairings from Karnas Vineyard, making for a truly memorable evening. We'll anchor overnight in Karacasogut.

Day 6

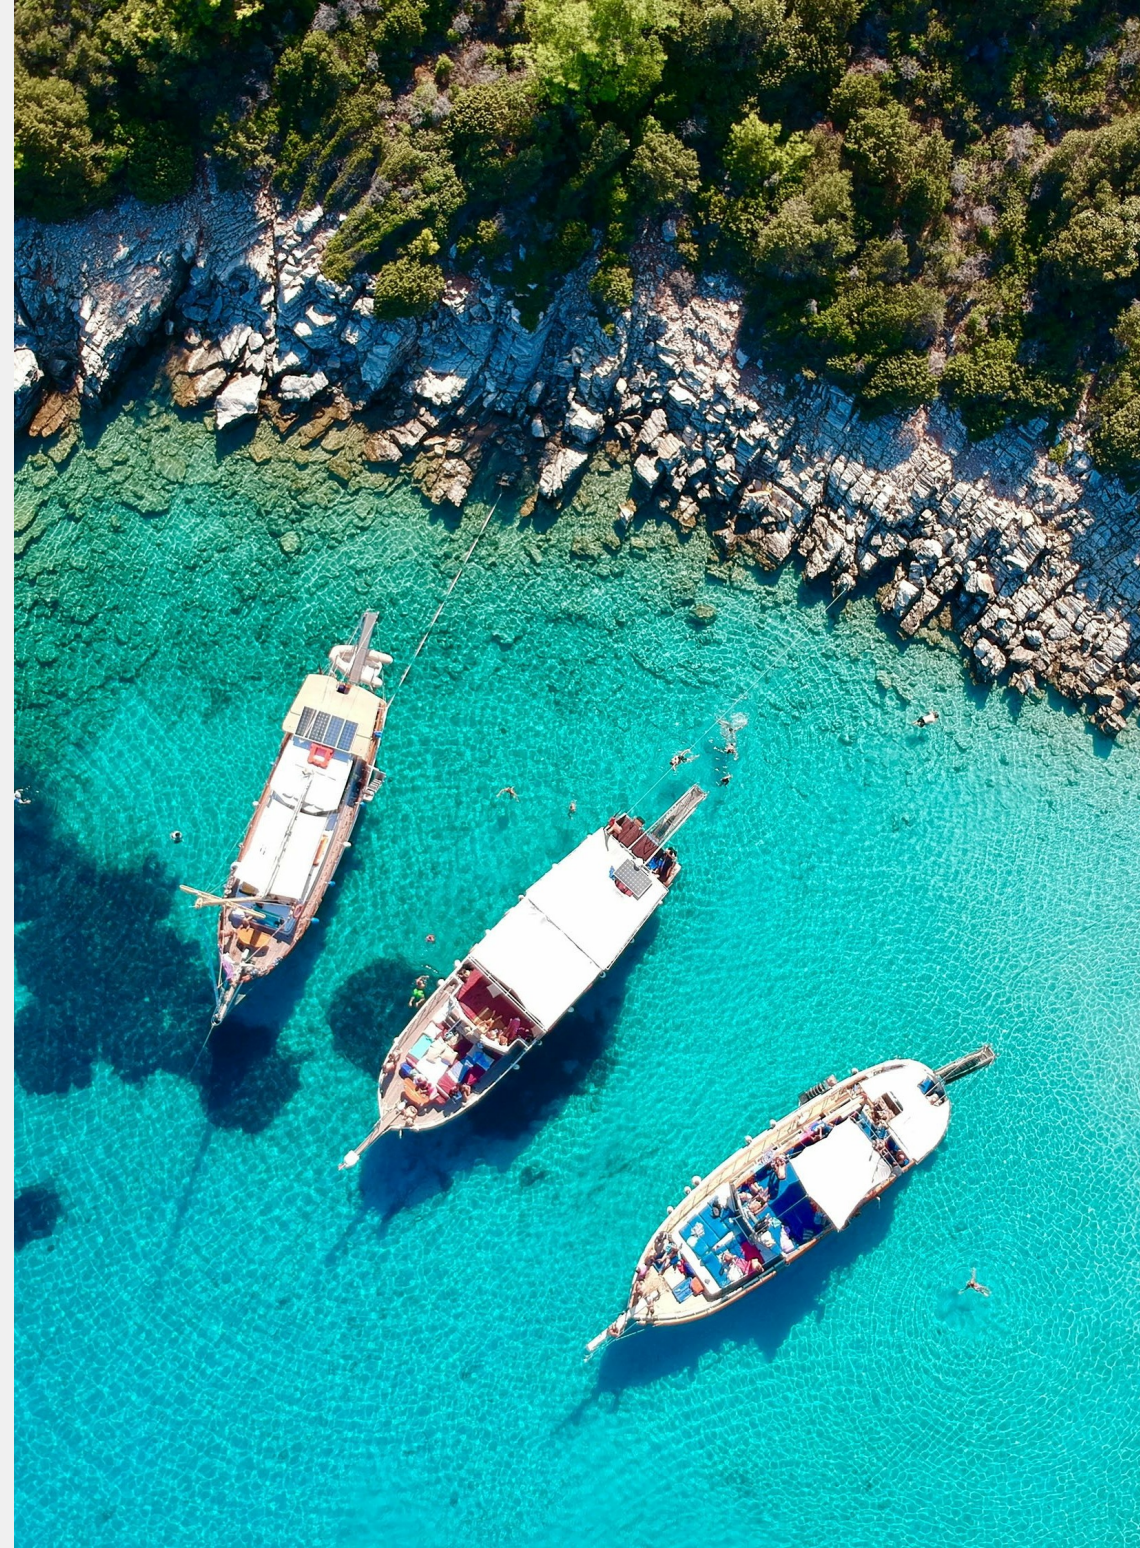

We'll start the day with a cruise to Kisebuku (also known as Alakisla), where you can explore Byzantine ruins and enjoy some swimming and water activities before lunch onboard. In the afternoon, we'll head to Gumusluk, one of Turkey's most charming fishing villages. Here's where things get extra special—if you'd like, we can invite a local chef aboard for a private cooking lesson. She'll guide you through the art of Turkish home cooking, sharing tips and techniques to create authentic dishes that you can recreate long after your holiday ends. It's a hands-on, interactive experience that's as much about storytelling as it is about food. You'll have the chance to prepare—and then savour—a meal infused with the flavours of the region, perhaps paired with local wines for an added touch of indulgence.

Day 7

- On your final full day, we'll cruise to Orak Island, a beautiful spot for one last swim and lunch onboard. Later, we'll return to Bodrum. If you wish, we can arrange a visit to Etrim Carpet Village to see traditional weaving techniques first-hand. If you find a carpet you love, it'll be shipped directly to your home. Back onboard, we'll celebrate the week with a farewell dinner and a captain's cocktail party under the stars. Overnight in Bodrum Marina.

Day 8

- Sadly, it's time to say farewell. Enjoy a leisurely breakfast aboard before disembarking at 10 AM. Our team will assist with transfers to the airport or your next destination. Though we hate to see you go, we hope you leave with cherished memories and a heart full of joy.
